

BIG ACHIEVEMENT - CONGRATULATIONS!

WAGE REVISION AGREEMENT REACHED - TO BE SIGNED ON 15-01-2010

In the wage Negotiation Committee meeting held today (07-01-2010), overall understanding is reached on all major issues. The two major pending issues are settled as below:

1. Span of the Pay Scale

At present our existing Pay scales are having 15 years span. In the revised pay scales, management initially proposed to fix 12 years span. But we achieved a great success and now management has agreed to increase the span of the pay scales as below:

NE – 1	18 years. (All will get Promotion/Retirement before reaching 18 years Span.)
NE -2 to 4	21 Years
NE – 5 to 6	22 Years
NE – 7 to 11	21 Years.

This increase in the span of the pay scales will solve the problem of stagnation to a great extent. We have sought for some more improvement.

2. Uniform: Uniform will continue without any change.

The Draft of the Agreement will be given to staff side on 13th January and the Agreement will be signed on 15th January, 2010.

CONGRATULATIONS TO ALL COMRADES!
